

Blue Devil Alumni Players,

The Leominster Blue Devils Football Club Inc. was formed in 2010 as a non-profit organization sanctioned by the Commonwealth of Massachusetts. The Club's focus and mission is to provide support and assistance to the Leominster High School Football Program, which includes the players and coaches at all levels.

As a former Blue Devil player you belong to a select group. Tens of thousands of students have graduated from Leominster High School but only a few wore the Blue and White and played L.H.S. Varsity Football.

The Leominster Blue Devils Football Club has been compiling a database of everyone who played LHS Varsity Football.

In our short existence we feel that we have accomplished a lot. In the area of community involvement we have assisted the DPW staff in landscaping at Doyle Field Bowl and Principal Tom Browne and AD Chris Young with landscaping at Leominster High School. Promoted Veterans' Appreciation Night, where all local veterans were invited to the game, marched in as a unit between rows of Blue Devil players. All veterans were presented a special gift from the Blue Devil Football Club. We renovate and paint the home locker room at Doyle Field and had a new Super Bowl Championships sign installed. We are also responsible for assembling the great game day programs.

Continuing efforts :

- *Purchased additional equipment for the programs and sports bags for the varsity program players
- *Provided Thursday pre- game team dinners throughout the season at Elks – all volunteer
- * Provide sideline water, Gatorade, oranges etc .for all games and sandwiches for every post-away game
- *Purchased awards and apparel for 2011 and 2012 Super Bowl Championship Teams
- *Sponsor/reinstituted with the Leominster Elks the Annual Thanksgiving Eve Banquet
- *Provide a free team/parents cookout for all football programs.
- *This year we have presented 3 scholarships awarded to college bound seniors on the Varsity Squad

Much of this was accomplished through volunteers but this level of support is expensive.

We have attempted to offset our expenses through ads in the weekly game program, fundraisers, raffles, and solicited donations from area businesses etc. The next logical step was to give our alumni players an opportunity to give back to the program. All alumni players who donate will have their names listed on our new website under the heading – Blue Devil Varsity Alumni Supporters. They will also receive a unique" running devil" car decal only available to alumni varsity players. There is also an option to donate in memory of a deceased relative that played LHS varsity or a former varsity teammate

Please consider donating and keep the pride and tradition of Blue Devil Football alive.

Regards,

Leominster Blue Devils Football Club

Please fill out the form below and enclose it with your donation. If you cannot donate at this time please mail or email your information for our database to dciccolini@msn.com . Also please spread the word to former players.

Thank you for considering our request. Go Big Blue!
