

Dear Alumni and Supporters,

The Leominster Blue Devils Football Club was formed in 2010 as a non-profit organization sanctioned by the Commonwealth of Massachusetts. The Foundation's focus and mission is to provide support and assistance to the Leominster High School Football Program, which includes the players and coaches at all levels: freshmen, junior varsity & varsity. In addition, it seeks to renew the tradition and pride of our historic Football Program.

The Club works with the school's athletic department and the football team's head coach in an effort to provide funds for football related expenses not currently covered by Leominster High School Athletic Budget. All funds raised by the Club go back into supporting the program.

The consistent hard work and collaboration of our volunteers, coaching staff and high school administration, combined with the financial support of Leominster citizens and business community, enable us to support a football program that Leominster will be proud of while making a positive impact on the lives of its participants. We sincerely believe that the initiatives we implemented played a role in the team's 2011 turn-around season and the 2011 and 2012 Super Bowl Championships and also reflect the Club's continued effort to help improve the LHS Football Program.

Below are some of the initiatives we have continued to support throughout recent seasons...

- *Annual Player/Parent Kickoff Barbeque
- *Game Day Programs
- *Veteran Outreach
- *Purchase Player/Team Equipment
- *Community Outreach Events
- *Weekly Thursday Pre-Game Team Dinners
- *Football Banquets and Scholarships
- *Sponsor Appreciation/Recognition Night
- *Doyle Field Clubhouse Refurbishing
- *Provide Team Refreshments – All Games
- *Sponsor Development of New Leominster Football Web Site – LeominsterFootball.com

Become part of the continued pride and tradition by sending your tax deductible donation to:
